Notes:

A student should plan on spending a semester in Washington D.C. if they are interested in law and politics. This can be accomplished in a number of ways, but most easily through the American Studies Program in which LeTourneau participates.

1: BIBL 4413 Physical Settings of the Bible is recommended.
2: Select literature electives in consultation with your academic advisor.
3: An approved upper division HIPL class may be substituted.
4: A minor must be declared. The minor field and general electives together must consist of at least 21 hours of courses not used to meet any of the other above requirements.
