Total hours: 126

Notes:
The internship can be accomplished either during the spring or fall semester or during the summer. In any event, it normally is registered for during either a spring or fall semester as part of the 12-18 hour package, but not during summer school, thereby not incurring additional tuition cost to the student.

1: Minimum grade of 'C' required
2: MATH 1503 Calculus with Business Applications may be substituted for MATH 1203.
