BIBLICAL STUDIES AND CHRISTIAN MINISTRIES

At LeTourneau University, we don't just study biblical truth—we live it.

Discover your calling. Learn what it was like to live in the world of the Bible. Acquire skills to interpret Scripture in its original context and then share its message with a world in need. Prepare for ministry, graduate school and seminary through internships and by gaining biblical and field-specific knowledge. Travel with us to biblical sites, lead one of our spring break mission trips, or join our faculty and students as they attend academic conferences. At LeTourneau University, your opportunities are limitless.

OUR DEGREES

The background of the slide is a photograph of a vast, reddish-brown desert dune. The sky is a pale, hazy blue. Overlaid on the entire image is a semi-transparent grey rectangular box at the top containing the title 'OUR DEGREES'. Additionally, there is a large, faint, semi-transparent overlay of Hebrew text in a serif font, which appears to be a passage from the Bible, possibly the opening of the Gospel of John. The text is arranged in several lines across the top and middle of the image.

“My studies prepared me for both seminary and law school. Having to write a full-length paper for every class as a double major honed my analytical thinking and my research skills. Taking both years of Greek allowed me to test out of the first two classes in seminary, a rare accomplishment at my graduate school.”

— Stephen Casey, '03, biblical studies and history/political science
