

Dear Parent(s),

Greetings from LeTourneau University! Before you know it, your son or daughter will be finishing this fall or spring semester and will be preparing to come home after a challenging week of finals. In conjunction with final exams and the completion of this semester, Student Foundation will be constructing **Final Exam Kits** for LETU students! As in the past years, this provides an excellent way for you to send your child a care package to equip students and remind them that you are thinking of them during their finals!

The Final Exam Kits will be packed in a reusable container and will offer some of the following items:

- *Regular Kit*
Soda, chips, cookies, candy, and microwave popcorn.
- *Healthy Kit*
Juice, cereal bars, dried fruit, and other healthy snacks.

Additionally, both kits will contain items such as pencils, pens, post-it notes, and a stress ball all for only \$25.00. We encourage you to also send a message of support to your son or daughter to be included with the kit. Each Final Exam Kit will be prepared and delivered in their dorm before Finals Week. In order to have plenty of time to prepare each Final Exams Kit, the deadline to order for the fall is **November 29** and **April 26** in the spring.

All proceeds from this project fund the Student Foundation Endowed Scholarship. Thank you so much for your support!

Gratefully,

Student Foundation
