

DOES IT CALL YOU TO TRUST GOD?

Family Discussion

Faith is the confidence that what we hope for will actually happen; it gives us assurance about things we cannot see. Through their faith, the people in days of old earned a good reputation. By faith we understand that the entire universe was formed at God's command, that what we now see did not come from anything that can be seen.

Hebrews 11:1-3 (NLT2)

DISCUSS

- What are some things you have hoped for that you had no assurance would happen?
- Our Scripture said that *"faith is the confidence that what we hope for will actually happen."* Where or how can we acquire that kind of confidence?
- What are some things for which had faith and believed in that have come to actually happen?

PRAY

- Thank God for the assurance He gives through His Word.
- Tell God about situations where you want to place your faith in His power, authority, and love for you.
- Pray for people you know who are struggling to trust God – either for salvation or for difficulties they are facing.
