It is I, the Word Ninja. This message and partial decryption key have just been received from our consulate in Moco Tazam. The Christians there are under some persecution and want to assure us of their dedication to the Bible. Our decoding team has been busy with Jr. High soccer leagues, so we need your help. Use the key to figure out the letter substitutions in the message. Do your best to determine the missing letters in the message due to the incomplete key. Pass the solution along to your Christian Education pastor.
