What Happens to the Seeds?

What Happens to the Seeds?

Mark 4:15-20 (NIV) Some people are like seed along the path, where the word is sown. As soon as they hear it, Satan comes and takes away the word that was sown in them. [16] Others, like seed sown on rocky places, hear the word and at once receive it with joy. [17] But since they have no root, they last only a short time. When trouble or persecution comes because of the word, they quickly fall away.

What Happens to the Seeds?

[18] Still others, like seed sown among thorns, hear the word; [19] but the worries of this life, the deceitfulness of wealth and the desires for other things come in and choke the word, making it unfruitful. [20] Others, like seed sown on good soil, hear the word, accept it, and produce a crop--thirty, sixty or even a hundred times what was sown."

Consider

- Note the different kinds of soil
- Note the different results of planting the seed
- Why were the “seeds” of God’s Truth growing or not growing
- Which kind of soil will you choose to be?
