The cursed Red Baron shot down all the letters in this important message. They fell straight down. Some are easy to find, like where there's only one blank in that column. Look for two or three letter words and figure what two or three letters in those columns make a sensible word. The war against complacency depends on you! If you get stuck check out the solution at <http://www.azquotes.com/quote/697936?ref=complacency>
