It's the law of the Medes and Persians. You find the words, or you owe me a book report. Humph!
Just be glad you won't get thrown to the lions. Remember ... the words go left, right, up, down,
and even backwards! I'll give you a couple of words. I see SUEE and ROT ... oops, they're not in the
list. Well, you can do better. Humph, you *WILL* do better!
