Our agent in Quabrisey had this brick land on his head with a special message. It was meant to be delivered to your Bible Study leader. A scrap of paper was also found on the path which seems to be the key using two digit codes for the letters. Find the letter corresponding to the row and column. I **hope** you don't **suffer** and can figure out what it says and who sent it.

	1	2	3	4	5
