 T H T I N T O O E T M N S E N S Y S B E I D O L S E F L

Whoa ... my word processor went nuts! A whole bunch of letters fell straight down. This is an important quote for my article on evangelism. Help he put it back together. Replacing some letters are easy to figure out, like where there's only one blank in that column. Look for two or three letter words and figure what two or three letters in those columns make a sensible word.
