

When Life Seems Empty

Fallen Phrases

Tsk, Tsk!

It's happened again. The letters ... they're everywhere. They've fallen out of their columns straight down. If you think life is empty, just look at these blanks. Replacing some letters are easy to figure out, like where there's only one blank in that column. Look for two or three letter words and figure what two or three letters in those columns make a sensible word. Billy Graham's thoughts here are important for us to remember.
