It's bad enough picking up all this laundry. Now we're inundated with letters. They've fallen out of their columns straight down. And let me tell you, there's something important there about marriage. You can fix it - both your marriage and the sign. Replacing some letters are easy to figure out, like where there's only one blank in that column. Look for two or three letter words and figure what two or three letters in those columns make a sensible word.
