

1

Just as our bodies have many parts and each part has a special function, so it is with Christ's body. We are many parts of one body, and we all belong to each other. In his grace, God has given us different gifts for doing certain things well.

Romans 12:4 – 6a (NLT)

2

### Discuss

- How are diversity and unity both demonstrated on a sports team? How about in an orchestra? Why is it important to have people unified but at the same time doing different things?
- Look in Romans 12 and 1 Corinthians 12 for lists of skills or spiritual abilities that God gives.
- Who do you know who seems to have a specific skill or ability to serve the Lord?
- What skills or interests do you have among your family members that God could be using?

3

### Prayer

- Thank the Lord for people who have used their God-given ability to minister to you.
- Pray for those who serve the Lord in your church using their gifts to preach, teach, and even maintain the physical buildings.
- Ask God to help you to know and use the gifts He has given each believer in your family.
