- Surge protector(s)
- Ethernet splitter
- Umbrella / Raincoat
- Warm weather clothes**
- Cold weather clothes**

* Over-the-Counter medication and minor first aid supplies are available in each residence hall or from the Nurse, but you may desire to bring your own small kit for more immediate access.

** Our Summers are warm/hot and humid, but our Winters can be surprisingly chilly for what you might expect in Texas. Check-out Longview's seasonally average [temperatures](#).

*** Please visit www.letu.edu/IT for detailed information about computer connections and supported equipment and configurations.

Smart home devices are fine to bring, but they will need to operate on a legacy network without the latest security standards. Some functions may not work on our network, and standard caution should be used as if using an open network at the local coffee shop.

OPTIONAL ITEMS

ELECTRONICS

- Camera and memory
- Charging cables
- Computer (laptop / desktop) #
- DVD/BluRay player
- Headphones
- Music and movies
